- All plans must conform to the provisions of the Covenants, Conditions and Restrictions (“CC&Rs”) and the Architectural Guidelines of Lake Rockport Estates Property Owners Association.
- Appropriate assessments must be paid and required forms signed (see Submission Requirements), before final approval of the Building Application and at which time, a required water letter will be issued.
- Building must be in accordance with Construction Regulations and inspections must take place at the appropriate times (see Inspection Phases).

I, _____, of lot number _____, hereby submit this application and acknowledge that I have read and will comply fully with all of the provisions contained in the CC&Rs, the Assessment Schedule, and all other signed architectural, construction, and inspection forms. I will resubmit this application if any changes are made to the information contained herein. It is my responsibility to provide written notification to the Architectural Committee to make requests for inspections, to sign off on the completion of the project, and to request any refunds.
